- Class 46 - Scaly-Rhizomed Gesneriads, blooming
- Class 47 - Gesneriads grown for ornamental foliage (except Episcias)

SPECIAL EXHIBITS DIVISION

SECTION XI SPECIAL EXHIBITS

- Class 48 - AVSA Information
- Class 49 - Education Information

DESIGN DIVISION

Rules for Design:

1. All exhibits shall be the exclusive work of the exhibitor.
2. African violet plants and other plant material need not have been grown by the exhibitor.
3. All entries in this Division must be accompanied by a 3" x 5" card listing all plant material used, if known.
4. No artificial flower, fruits, vegetables or foliage may be used. No plants appearing on any state conservation list are allowed. No state or national flag or live creatures shall be used in any design.
5. Interpretive designs using African violet plants or fresh-cut blossoms may use fresh, dried, treated or colored plant materials and/or man-made materials other than artificial plant material. Accessories, backgrounds and underlays are optional unless otherwise indicated.
6. All pedestal classes are to be viewed from the front only.
7. Judges shall eliminate from consideration any exhibit not conforming to the schedule or AVSA rules.
8. Designs may be completed between noon and 4:00 pm on Friday, February 22, 2019.
9. Advanced registration is required. Call Jeanne Cotten at 918-299-6408.

Section XII - Container Gardens

These are miniature landscapes with one or more blooming African Violets plants (removed from their pots) and other growing plants established in a container. No cut plant material is allowed. Accessories are optional. Staged on open white tables 30" wide. No backgrounds, bases or underlays are permitted. No limit on height, width or number of entries per class.

Class 50 - "Terrarium "

A covered transparent terrarium.

Class 51 - "Dish Garden"

A dish garden staged in a low container.

Class 52 - "Natural Container"

A natural landscape design in a container formed by nature (e.g., wood, rock, sponge, shell, etc.). May have more than one planting pocket.

Section XIII - Interpretive Plant Arrangements

These designs have one or more blooming African violet plants (unless otherwise specified), removed from pots and used in a design with other fresh-cut, dried, treated, painted or colored and/or man-made components. Accessories, backgrounds and underlays are permitted. Up to 4 entries per class are permitted.

Class 53 - "Westerns"

A plant design evoking memories of your favorite western using a blooming plant. **State your movie title on your card.** Staged on a 15" square wood-toned table pedestal at eye level. No height requirement.

Section XIV - Interpretive Flower Arrangements

Fresh-cut African violet blossoms are used in a design with fresh-cut, dried, treated, painted, colored and/or man-made components. Backgrounds, underlays and accessories are permitted unless otherwise noted.

Movie title must be stated on card. Up to 4 entries per class are permitted.

Class 54- "Comedies" -

A design of arranger's choice staged on a 12" square table pedestal with a woodgrain top. No height requirement.

Class 55 - "Children/Family Movies" -

A design of arranger's choice not to exceed 8" in any direction Staged at eye level on an 12" round wood-grain table pedestal.

Class 56 - "Action/Adventures in Water" -

An underwater design in a clear glass container (completely submerged) not to exceed 12 inches in depth or width. Staged on a 12" square wood grain table pedestal. No height requirement.

Horticulture Rules of the Show

1. All entries are limited to amateur and commercial members of AVSGT. Only AVSA members are eligible to enter AVSA Collection classes. Only one collection may be entered by an exhibitor in each collection class.
2. Entries will be accepted Friday, Feb. 22, from noon until 5 pm only. Entries must remain in place until 3 pm Saturday, Feb. 23rd.
3. All horticulture exhibits must have been in possession of the exhibitor for at least 90 days prior to the show. Only clean, healthy plants and plant material will be accepted. Time permits only last minute grooming.
4. All entries in the Horticulture Division (except trailers, trailing species, Gesneriads and unusual containers) must be in white, green or terracotta pots. Wicks and drainage holes must be covered. Slip potting into same or fraction larger pot is allowed. Holes of outer pot should be covered to prevent leakage. The name of the plant variety should be written on the bottom of the inner pot.
5. All African violet entries must be single-crown plants with the exception of trailers and some species; all exhibits (with the exception of ornamental foliage Gesneriads) shall be in bloom.
6. An exhibitor may enter only one plant of a variety per class in horticulture and only one entry per class in design. An exhibitor may enter any number of different varieties in a horticulture class, except classes 30 & 31.
7. Each exhibit must be correctly named or is subject to correction by the Classification Committee. All varieties described by the hybridizer as being "edged" shall be placed in the appropriate edged class.
8. Classes may be subdivided as needed by the Show Chair.
9. Only blue ribbon exhibits will be eligible for special awards. A Best in Class ribbon will be awarded in each class (except Collection classes) unless no entry has scored 90 points or more.
10. Judging will be done by AVSA accredited judges using the merit system with the AVSA Scale of points applicable to each class. Blue ribbons will be awarded to entries scoring 90-100 points, red ribbons to entries scoring 80-89 points, and white ribbons to entries scoring 70-79 points. Judging will begin at 6:00 pm on Friday, Feb. 22nd and finish at or before 9:00 pm.
11. AVSGT will provide all possible protection for exhibits and sale plants during the show, but will not be responsible for loss or damage before, during or after the show.
12. Any number of new cultivars may be exhibited, provided they have been originated by the exhibitor or the rights to them have been released by the hybridizer to the exhibitor in writing. A variety must never have been shown before as a "new" cultivar in an affiliate show.
13. Rules governing certain classes have been written into this schedule.
14. The **AVSA Handbook for African Violet Growers, Exhibitors and Judges** (latest edition) shall be the authority for any rule not covered in this schedule.

AVSA Scale of Points
